

TRAINING

Rhode Island Fire Academy Training Program Fire and Emergency Service Company Officer NFPA 1021-10

The Rhode Island Fire Academy will present a Fire and Emergency Service Company Officer Level I Class.

Date: Tuesdays and Thursdays
October 2, 2018 – November 27, 2018

Site: Newport Fire Department
21 West Marlborough Road
Newport, RI 02840

Class Time: 6:30 p.m. – 9:30 p.m.

Cost: \$125.00 per student.

Prerequisite: Firefighter 1 & 2, and NFPA 1041.

Student is responsible for text:

Fire and Emergency Service Company Officer Handbook IFSTA 5th edition

Course Description: This course is intended for experienced firefighters who are about to be promoted to or have recently become company officers. However, the course may also be of interest to experienced company officers and chief officers who are looking for basic level class officership. The course focuses on introducing the student to concepts of interpersonal dynamics, team building, problem solving, organizational development, leadership, discipline, and administrative matters. There are also modules on safety, tactics, incident command, building construction and control.

Return completed registration by September 17, 2018
